At Random Acts, it’s our mission to conquer the world one random act of kindness at a time.

We are here to inspire acts of kindness around the world both big and small. We provide a vast network of caring people with the encouragement and support they need to change lives for the better.

**Our Values Statements**

- Every individual can be a catalyst for positive change in the world and in his/her own life.
- Everyone deserves to be treated with respect.
- Each person can make a positive impact within his/her social network and community.
- Kindness breeds kindness.
- Being kind is fun!

**GET INVOLVED!**

**Brainstorm:** Combine your brainpower with that of other members of the Random Acts community on our forum and think up new ways to be randomly kind.

**Act up!** Have the perfect random act in mind? Submit your proposal to your regional representative and join us in conquering the world!

**Help others:** Don’t have time to commit to your own project? Volunteer in your local community at an organization that needs your help now. Walk dogs waiting to be adopted at your local animal shelter. Weed your elderly neighbor’s garden. Spend a weekend sorting clothes at your local family services store.

**Donate:** No time for any activities at all? Put your money to work for you. Send your donations to a worthy cause. Random Acts can always put donations to great use but there are other great causes out there as well. Find something that you love and support it.

**Raise funds:** Help fund our mission to conquer the world one random act of kindness at a time.
