Brand Manager

The Brand Manager is responsible for designing and implementing proactive public relations campaigns that appropriately and effectively represent the organization in the media and other public branding methods. The Branding Department is responsible for proactively generating media coverage, as well as responding in a timely and effective manner to requests from journalists, and other media representatives. The Branding Department is also responsible for the multi-media team, which generates and manages the areas of Graphic Design, Videography, and Photography.

The Brand Manager has the overall responsibility of building and maintaining the organization’s reputation and brand in the media, ensuring that the organization is always appropriately represented and that its messages and values reach the broadest possible audience.

RESPONSIBILITIES
