Please do the following exercise:

Imagine that you have been asked to approach the University of Goron City to introduce them to our student group program and suggesting it as a possible group or club for their students. Looking at their website under “Student Life”, you have found a directory for their student services staff and an email address for their Clubs Administrator, Ihaia Tuakanaoruru.

Please draft an email below that you might send to Ihaia to introduce yourself, Random Acts, and our student group program. Don’t worry if you don’t know all the details of the student group program, simply describe it to the best of your understanding.
