

# Clean Up

A great way to spend time with the family is to spend time in nature. Sadly, not everyone takes as good of care of it as they should. So, this is your chance to do good for the environment as well!

**First:** Go to a local beach or metropark, bringing gloves and garbage bags with you.

**Second:** Spend time collecting any garbage you may find! Be sure to be safe, and if your locale requires any permits, be sure to obtain those first.

**Third:** If you plan it in advanced, advertise on your community's social media or newspaper and get even more people to help!

**Fourth:** Dispose of everything collected in appropriate places.

**Fifth:** To make it fun for little kids, make it a game to see who can collect the most garbage or find the most unique items.

**Take it a step further:** Apply for a Random Acts grant to help offset the cost of supplies to reach even more people.
