

Community Car Wash

A sudsy chance for the family to bond while doing good for the community.

First: Scope out location to host a community car wash. It should be easily accessible and have a big parking lot with hose hook-ups. Be sure to check with the property owners to see if they are okay with you hosting a community car wash.

Second: Pick a date or two. Depending on your weather, perhaps pick a fall back date just to be sure! A great time would be after winter when the salt needs to be washed off the cars.

Third: Advertise your event on your community social media and newspapers.

Fourth: Get friends and supplies together and start washing!

Fifth: Do it for free, or accept donations for a local charitable organization!

Take it a step further: Apply for a Random Acts grant to help offset the cost of supplies so you can offer even more car washes and raise even more donations for your charity!
