

# Make it Snow Away

Snow days, snowmen, snow angels--winter can be fun! But, for people with limited mobility, clearing their driveway and sidewalks of snow and ice can be incredibly challenging. Maybe you can help!

**First:** Get together a group of friends and scout out neighbors who might need help clearing snow and ice.

**Second:** Bundle up and grab shovels, gloves, salt, and snow-removal tools.

**Third:** Get to removing! Be sure that you're safe! Start with people you know!

**Fourth:** If you belong to a religious institution, maybe offer your services to people there. Or, ask families at school if they need help! Look for safe ways to help more people!
