

Soldier Support

When families have loved ones serving in the military, it can be quite hard. And, the soldiers themselves may also struggle. Thankfully, you can help!

First: Have your class write letters for soldiers currently serving overseas.

Second: Have families donate goodies to create care baskets for families impacted by military service.

Third: There are many organizations that will assist in delivering your care baskets and your letters. If you can't find one, please feel free to ask us for help! These organizations will also help you get ideas of what are good items for the gift baskets as well as requirements for them to assist you with donations.

Fourth: Make sure your administration is okay with this activity! They may even want to help!

Take it a step further: If your community has a lot of military impact, apply for a Random Act grant to try to extend your impact.
